ATTACHMENT
SITE DESCRIPTION

The Liberty Street Ansonia Copper and Brass Site is located at 75 Liberty Street (Parcel ID 03300190000) and 7 Riverside Drive (Parcel ID 03500010004) in Ansonia, New Haven County, CT (the "Site"). The 75 Liberty Street property is 16.5 acres, and the 7 Riverside Drive property is 22.04-acres. The two properties are divided by an active rail line. The Site is bordered to the west by the Naugatuck River, to the north and east by residential and commercial properties, and to the south by industrial and commercial properties. The Site is currently inactive and formerly used for the manufacture and/or processing of copper and brass products. Several large buildings occupy the Site, including an office building with a metallurgy laboratory in the basement, the Casting Mill (Building 1), the Power House (Building 2), the Rod Mill (Building 3), the Extrusion Mill (Building 4), the Flat Wire Mill (Building 5), and the WWTP.

In May 2017, the Connecticut Department of Energy and Environmental Protection referred the Site to EPA's Emergency Planning and Response Branch. In July 2017, EPA conducted a Preliminary Assessment and Site Investigation. Throughout the entirety of the Site, the following environmental hazards were identified: asbestos-containing material ("ACM") on piping, equipment, or within tiles; open containers and drums of suspected used hydraulic oil from machinery; drums of unidentified liquids and/or solids; vats and pits of contaminated rainwater; large transformers that previously contained polychlorinated biphenyl ("PCB") oil; and small containers and jars of chemicals in the metallurgy laboratory. EPA collected samples of solid/sludge, aqueous liquids, ACM, suspected PCB transformer oil, and drum product throughout the numerous mill buildings.

The primary hazardous substances at the Site include, but are not limited to, PCBs, heavy metals, corrosive wastes, and friable asbestos. The buildings are deteriorating, and the Site no longer has heat, electricity, or water services. These hazardous substances are a potential health threat to anyone walking on, traveling by or living near the Site. The threat of release to adjacent areas and other receptors exists, particularly during adverse weather conditions, due to the poor condition of some areas of the roof. In addition, the facility is abandoned, unguarded, accessible to trespassers, and lacks fire suppression water or equipment. Aside from the potential of exposure to trespassers, in the event of a fire, the above-mentioned hazardous substances may be released to the air, become airborne and migrate to surrounding areas. In September 2017, EPA initiated a time-critical removal action to address the hazardous substances present onsite.

General Instructions

What's New

Authorization to file Form 8821 electronically. Your appointee may be able to file Form 8821 with the IRS electronically. PIN number boxes have been added to the taxpayer's signature section. Entering a PIN number will give your appointee authority to file Form 8821 electronically using the PIN number as the electronic signature. You can use any five digits other than all zeroes as a PIN number. You may use the same PIN number that you used on other filings with the IRS. See **Where To File** on page 3 if completing Form 8821 only for this purpose.

Purpose of Form

Form 8821 authorizes any individual, corporation, firm, organization, or partnership you designate to inspect and/or receive your confidential information in any office of the IRS for the type of tax and the years or periods you list on Form 8821. You may file your own tax information authorization without using Form 8821, but it must include all the information that is requested on Form 8821.

Form 8821 does not authorize your appointee to advocate your position with respect to the Federal tax laws; to execute waivers, consents, or closing agreements; or to otherwise represent you before the IRS. If you want to authorize an individual to represent you, use Form 2848, Power of Attorney and Declaration of Representative.

Use Form 4506, Request for Copy of Tax Return, to get a copy of your tax return.

Use new Form 4506-T, Request for Transcript of Tax Return, to order: (a) transcript of tax account information and (b) Form W-2 and Form 1099 series information.

Use Form 56, Notice Concerning Fiduciary Relationship, to notify the IRS of the existence of a fiduciary relationship. A fiduciary (trustee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer. Therefore, a fiduciary does not act as an appointee and should not file Form 8821. If a fiduciary wishes to authorize an appointee to inspect and/or receive confidential tax information on behalf of the fiduciary, Form 8821 must be filed and signed by the fiduciary acting in the position of the taxpayer.

When To File

Form 8821 must be received by the IRS within 60 days of the date it was signed and dated by the taxpayer.

Where To File

Generally, mail or fax Form 8821 directly to the IRS. See the **Where To File Chart** on page 2. Exceptions are listed below.

- If Form 8821 is for a specific tax matter, mail or fax it to the office handling that matter. For more information, see the instructions for line 4.
- If you complete Form 8821 only for the purpose of electronic signature authorization, do not file Form 8821 with the IRS. Instead, give it to your appointee, who will retain the document.

Revocation of an Existing Tax Information Authorization

If you want to revoke an existing tax information authorization and do not want to name a new appointee, send a copy of the previously executed tax information authorization to the IRS, using the **Where To File Chart** on page 2. The copy of the tax information authorization must have a current signature of the taxpayer under the original signature on line 7. Write "REVOKE" across the top of Form 8821. If you do not have a copy of the tax information authorization you want to revoke, send a statement to the IRS. The statement of revocation must indicate that the authority of the tax information authorization is revoked, list the tax matters, must be signed and dated by the taxpayer, and list the name and address of each recognized appointee whose authority is revoked.

To revoke a specific use tax information authorization, send the tax information authorization or statement of revocation to the IRS office handling your case, using the above instructions.

Taxpayer Identification Numbers (TINs)

TINs are used to identify taxpayer information with corresponding tax returns. It is important that you furnish correct names, social security numbers (SSNs), individual taxpayer identification numbers (ITINs), or employer identification numbers (EINs) so that the IRS can respond to your request.

Partnership Items

Sections 6221–6234 authorize a Tax Matters Partner to perform certain acts on behalf of an affected partnership. Rules governing the use of Form 8821 do not replace any provisions of these sections.

Specific Instructions

Line 1. Taxpayer Information

Individuals. Enter your name, TIN, and your street address in the space provided. Do not enter your appointee's address or post office box. If a joint return is used, also enter your spouse's name and TIN. Also enter your EIN if applicable.

Corporations, partnerships, or associations. Enter the name, EIN, and business address.

Employee plan. Enter the plan name, EIN of the plan sponsor, three-digit plan number, and business address of the plan sponsor.

Trust. Enter the name, title, and address of the trustee, and the name and EIN of the trust.

Estate. Enter the name, title, and address of the decedent's executor/personal representative, and the name and identification number of the estate. The identification number for an estate includes both the EIN, if the estate has one, and the decedent's TIN.

Line 2. Appointee

Enter your appointee's full name. Use the identical full name on all submissions and correspondence. Enter the nine-digit CAF number for each appointee. If an appointee has a CAF number for any previously filed Form 8821 or power of attorney (Form 2848), use that number. If a CAF number has not been assigned, enter "NONE," and the IRS will issue one directly to your appointee. The IRS does not assign CAF numbers to requests for employee plans and exempt organizations.

If you want to name more than one appointee, indicate so on this line and attach a list of appointees to Form 8821.

Check the appropriate box to indicate if either the address, telephone number, or fax number is new since a CAF number was assigned.

Line 3. Tax Matters

Enter the type of tax, the tax form number, the years or periods, and the specific tax matter. Enter "Not applicable," in any of the columns that do not apply.

For example, you may list "Income tax, Form 1040" for calendar year "2003" and "Excise tax, Form 720" for the "1st, 2nd, 3rd, and 4th quarters of 2003." For multiple years, you may list "2001 through (thru or a dash —) 2003" for an income tax return; for quarterly returns, list "1st, 2nd, 3rd, and 4th quarters of 2001 through 2002" (or 2nd 2002 — 3rd 2003). For fiscal years, enter the ending year and month, using the YYYYMM format. Do not use a general reference such as "All years," "All periods," or "All taxes." Any tax information authorization with a general reference will be returned.

You may list any tax years or periods that have already ended as of the date you sign the tax information authorization. Also, you may include on a tax information authorization future tax periods that end no later than 3 years after the date the tax information authorization is received by the IRS. The 3 future periods are determined starting after December 31 of the year the tax information authorization is received by the IRS. You must enter the type of tax, the tax form number, and the future year(s) or period(s). If the matter relates to estate tax, enter the date of the decedent's death instead of the year or period.

In **column (d)**, enter any specific information you want the IRS to provide. Examples of column (d) information are: lien information, a balance due amount, a specific tax schedule, or a tax liability.

For requests regarding Form 8802, Application for United States Residency Certification, enter "Form 8802" in column (d) and check the specific use box on line 4. Also, enter the appointee's information as instructed on Form 8802.

Line 4. Specific Use Not Recorded on CAF

Generally, the IRS records all tax information authorizations on the CAF system. However, authorizations relating to a specific issue are not recorded.

Check the box on line 4 if Form 8821 is filed for any of the following reasons: (a) requests to disclose information to loan companies or educational institutions, (b) requests to disclose information to Federal or state agency investigators for background checks, (c) application for EIN, or (d) claims filed on Form 843, Claim for Refund and Request for Abatement. If you check the box on line 4, your appointee should mail or fax Form 8821 to the IRS office handling the matter. Otherwise, your appointee should bring a copy of Form 8821 to each appointment to inspect or receive information. A specific-use tax information authorization will not revoke any prior tax information authorizations.

Line 6. Retention/Revocation of Tax Information Authorizations

Check the box on this line and attach a copy of the tax information authorization you do not want to revoke. The filing of Form 8821 will not revoke any Form 2848 that is in effect.

Line 7. Signature of Taxpayer(s)

Individuals. You must sign and date the authorization. Either husband or wife must sign if Form 8821 applies to a joint return.

Corporations. Generally, Form 8821 can be signed by: (a) an officer having legal authority to bind the corporation, (b) any person designated by the board of directors or other governing body, (c) any officer or employee on written request by any principal officer and attested to by the secretary or other officer, and (d) any other person authorized to access information under section 6103(e).

Partnerships. Generally, Form 8821 can be signed by any person who was a member of the partnership during any part of the tax period covered by Form 8821. See **Partnership Items** on page 3.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.
